THREE

Panel 1: Batman beating the crap out of everyone with a bunch of gadgets from his belt flying around, fist and feet landing in various places on the mobster. Know what? Just do this for two pages worth of panels. Here, some dialogue to throw in now and again:

1. BATMAN: MY PARENTS WERE MURDERED!
2. BATMAN: IT MAKES ME ANGRY!
3. BATMAN: SO MUCH HURTY PAIN!
4. SFX: a bunch of thwaks and thwoks and oofs and stuff
5. SFX: should probably put some crash and bangs and tings in there too
6. MOBSTERS: random mobsters crying out in pain, write whatever

FOUR

Panel 1: See page three. Perhaps throw in someone trying to attack Batman from behind but, of course, Batman sees him because he's BATMAN!

By Spider N. Mann

FIVE

Panel 1: All the mobsters are on the ground, knocked out. Batman is even more enraged because he has no one left to beat up.

1. BATMAN: WHERE ARE THE REST?

2. BATMAN: HURTY PAIN NOT GONE AWAY!

Panel 2: Batman stands stoically, hand upon his ear, taking into an invisible headset that he HAS to have because he's a billionaire.

3. BATMAN: ALFRED! YOU SAID I'D HAVE MORE HURTY PAIN THERAPY TIME!

4. ALFRED (from cowl) My apologies, Sir, but...

5. BATMAN: NO EXCUSES!

6. BATMAN: I'LL FIND MORE SCUM ON MY OWN!

Panel 3: Batman shoots his batclaw at the skylight he burst through

7. SFX: pooft

SIX

Panel 1: Batman lands on the back of an unsuspecting thug. Various shocked criminals behind him are looking on, although really no one should be shocked as Batman is really well known in Gotham now but whatever, criminals are dumb, right?

1. SFX: KRAK!

2. BATMAN: VENGEANCE!

Panel 2: Batman whirls around and kicks the crap out of the criminals behind him. Just do this for a few panels. Again, here are some words to throw in:

3. BATMAN: NO ONE ELSE

4. BATMAN: WILL FEEL PAIN

5. BATMAN: UNLESS I GIVE IT!

Panel 3: See above

Panel 4:

Panel 5:

Panel 6:

SEVEN

Panel 1: Batman is swinging hard to hit someone but a look of shock is on his face, as if he was hitting someone he didn't want to.

1. BATMAN: NOOOOOOOOOO!

Panel 2: Catwoman, Poison Ivy and Talia Al-Ghul are standing there, looking on disapprovingly.

2. CATWOMAN: You don't hit girls do you Batman?

3. IVY: He hits *on* them.

4. TALIA: Beloved, do you not want comfort?

Panel 3: Batman is on his knees, crying, angsty, like a vulnerable child. Catwoman, Ivy and Talia are comforting him.

5. BATMAN: ...mom...ies?

6. IVY: We'll kiss it and make it better...

Panel 4: Ivy kisses Batman on the lips. Catwoman hugs him from behind. Talia takes his hands.

7. TALIA: Come with us, Beloved...

8. CATWOMAN: ...we'll get you some warm milk...

9. BATMAN: ...mum-uh...

EIGHT

Panel 1: I have no way to get out of this script. Throw in a Batman Es Machina and end this shit. I got to get paid and I have fifteen other scripts to finish before Saturday. Some more words to throw in:

1. BATMAN: ROBIN'S DEAD!
2. CATWOMAN: Which one?
3. BATMAN: ALL MY ROBIN'S DIE!
4. IVY (to Talia): We should get him a parakeet...
5. TALIA (to Ivy): Or make him give up birds altogether.
6. BATMAN: NEVER!
7. CATWOMAN: ALWAYS!
8. IVY: MY PLANTS!
9. TALIA: BELOVED! (repeat this a few times, it never gets old)

Panel 2: Make sure to use a lot of gadgets and exaggerated emotion faces for Bats. He doesn't get to use them much so it isn't like he knows what they really look like. They're so foreign to him that they should look like they hurt for him to do anything but be angry.
